Cadette troop #22424, will present the sixth annual series of badge/try-it workshops, along with Daisy nights, during the 2009-2010 year. During each badge/try-it night workshop, participants will complete all of the requirements to earn a badge or try-it and Daisies will earn a patch program, too. The workshops give Scouts an opportunity to meet girls from other troops, earn badges, try-its and patches, and have fun!

Pre-registration is required, due to space limitations and our desire to provide a quality experience for all participants. We will post on the Dunwoody Service Unit Website if a class fills up, so check frequently!

Note: This year several badge, try-it and daisy nights this year will be from Council’s Own Badges, which are developed by other council’s and are like ‘specialty badges’. The Laundress badge is developed from the vintage 1913 badge.
